Adaptive Adventures Receives Grant from Broomfield Community Foundation to assist Education and Outreach Efforts in the City and County of Broomfield, Colorado

(Evergreen, Colorado) Adaptive Adventures announced today that it has received a \$1,600 Broomfield Community Foundation grant to support its Education and Outreach Programs. Adaptive Adventures provides year-round adaptive sports and recreation programs for children and adults with physical disabilities. Some of the program areas include: alpine and Nordic skiing; handcycling and adaptive cycling; waterskiing, paddling, kayaking, and rafting; and adaptive sports programs specifically for kids as well as community education and information outreach programs.

Always a key component of the programs has been the Education and Outreach that offers programming to schools, hospitals, and rehabilitation centers to increase awareness of people with disabilities and their role in society. With this grant from the Broomfield Community Foundation, Adaptive Adventures' key speakers and role models will make presentations to school children, focusing on the middle school age group primarily, to talk about life as a disabled person especially in relation to participation in sports and recreation. Adaptive Adventures also provides the use adaptive sports equipment at these events for the kids to experience.

The Broomfield Community Foundation's mission is to financially assist charitable activities in Broomfield in the areas of Education, Arts & Humanities, Human Services, Senior Service and Civic Projects. Through community service in these areas the Broomfield Community Foundation enhances the quality of life for all residents.
